Research Scientist

Notes:

This certificate authorises the manufacturer or his authorised representative established within the Community in conjunction with the EC TYPE EXAMINATION (MODULE B) CERTIFICATE listed before to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named on this certificate and/or after laps of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.

Example for the Application of the "Mark of Conformity":

xxxx number of the Notified Body responsible for quality surveillance module D
Last two digits of the year in which the mark is affixed.
